AC Electro-Cruise speed control system (International Design Review) 255  
 AC spark plug with a composite cored-wire electrode (International Design Review) 256  
 AC-Cobra suspension (International Design Review) 242  
 Accelerated wear tests on hydraulic pumps, by J. Arthur Edwards 350  
 Acceleration estimation, by P. J. Bourke 66  
 Accurate measurement of speed 105  
 Acetylene for pvc production 378  
 Adams-Farwell rotary combustion engine 22  
 Adhesive, Spraystick aerosol 458  
 Adhesives, hot-melt Evo-stick 322  
 Adiprene deformable dies 451  
 Adjusting toe-in, Sperry Gyroscope Company's equipment for 406  
 Admel tinted papers for prints 458  
 Aerox ptfе filter elements 189  
 Air conditioning ducting, Thermaflex KA 317  
 Air-springs, improved, by T. A. O. Gross 46  
 Albion transmission production 28  
 Alkon plastics 176  
 Allplas insulating spheres 51  
 Alpha 3-D measuring and marking-out machine, Digital Electronic Automation, Turin 34  
 Alternator drives, Poly-V 293  
 Aluminium cylinder, by R. C. Cross 135  
 Aluminium for commercial vehicles 80  
 Aluminium in road vehicles (symposium) 73  
 Analac general-purpose analogue computer 403  
 Anti-corrosive treatment, Rocket WD-40 322  
 Aristo Co-ordinatographs 139  
 Assembly of sand cores (pat. spec.) 40  
 Ateliers G.S.P. TA-800 rotary transfer machine 68  
 ATE brakes for Mercedes-Benz 600 (International Design Review) 243  
 ATE rear disc brake for Porsche Carrera 2 litre (International Design Review) 247  
 ATE tandem master cylinder (International Design Review) 247  
 Austin 1800 422, 504  
 Austin car assembly 294, 324  
 Austin Mercer rotary comb. engine 23

Automatic assembly of upper wishbones, Vauxhall 446  
 Automatic lubrication, Clayton Dewandre Milomatic 358  
 Automatic lubrication, Telalube HD 385  
 Automatic tappet adjustment (pat. spec.) 204  
 Automatic transmission for small cars (editorial) 83  
 Autonic semi-transistorized ignition system (International Design Review) 253  
 Autoscope Major (International Design Review) 257  
 Autostable braking system, French Ferodo Company (International Design Review) 246  
 Axial-flow fan design 445
